

Western Region - SOITC Rally - Lake Havasu City - January 18th to 25th, 2011.

Bob and Judy Jobe, the owners of Sunshine RV, entertained over 40 Suites in beautiful Lake Havasu City, Arizona for the Second Annual Suite Rally & Balloon Fest.

We were camped quite comfortably at the Lake Havasu Resort which features scenic views of the mountains.

The week was full of surprises with delicious food, fabulous prizes, games, such as Minute to Win-It, the RV Edition, raffles and auctions.

Meals included a wonderful dinner at Montana's, pizza & wine and a Pot Luck at the clubhouse, BBQ at the Sunshine dealership, and of course coffee and doughnuts every morning at the Registration Suite.

For many Rally attendees the highlight was visiting the Balloon Fest where Sunshine provided a VIP viewing area just for us. Some lucky people even had a chance to ride in a Balloon!

The Sunshine crew along with HAVEN staff and volunteers were on hand to serve the Suite Owners in many ways. The best part is that the H.A.V.E.N. Family Resource Center was the recipient of over \$6,000 raised during the week. Thanks to everyone who made this Western Rally possible.
