Maureen finished decorating the inside of the rig today. It's beginning to look a lot like Christmas. (on the inside)

We played the back 9 with Peggy and Pat. Great time was had by all. Lots of water - Santa will need to bring a ball retriever for Christmas.

Mike had the opportunity to experience a dust storm. The dust was so thick, he couldn't see the front of the truck (really). A few miles from here, on the main highway there was a horrific accident - a number of young people killed and a huge fire.

Pat and Peggy had a great party, truly an awesome way to spend the Night before Christmas.

Percy made sure we were up early (9 AM). We spent the morning opening Santa's gifts. Percy really likes opening presents. He wore his new jacket over to the Dog Run, and supplied cookies and chews to all his friends. All that excitement was very tiring!

We went for Christmas Dinner at noon. The Resort have a fantastic meal of roast pork and all the trimmings. We had the opportunity to meet new friends from Washington State

After Dinner we went to listed to the Jazz Cowboys.

It was a great show, with lots of Christmas songs and some very good jokes. We came home and spent some time relaxing and then called all the kids.

We went to Linda and Lion George's home in Arizona City. They have a beautiful lot situated on a golf course. We spent the afternoon talking and reminiscing about all our Lion friends in Ontario. The visit was a great success.
