A special meeting of the Milverton Lions was held this evening at the Legion. Guests from near and far gathered together to share a few drinks before the meeting.

Before dinner PDG Lion Mike led everyone in a sing-song

After Dinner Lions shared some stories.

Looks like DGE Todd had a funny one to tell.

Lion Secretary Rick introduced the guest of honour – Lion Mike Salter.

A15 District Governor Karen presented Lion Mike with a Melvin Jones award. Named after the Founder of Lions Club International, The Melvin Jones Fellowship Award is the highest form of recognition by the Lions Club and recognizes an individual's commitment to humanitarian work

Then it was Mike's turn to say a few words of thanks to all the Lions who helped to make this award possible.

As if that wasn't enough, PID Lion Art Woods made another presentation.

Lion Art called both Lion Maureen and Lion Mike forward to present Mike with a President's Appreciation Award.

Mike was absolutely speechless, so Maureen had to give a short thank you speech.

Thanks to everyone for all their good wishes and support.

Matt and Kimmy dropped Charlie off on their way to Niagara Falls for the Victoria Day weekend. Charlie was not really sure that he wanted to come to see Nana and Grampa at the Science Hill but by Friday night, after a campfire, he was wishing that he could stay all summer.

Percy was really happy that Charlie came for a visit.

Mike and Maureen participated in the Dundee Investments Golf Tournament in Stratford. It was a very hot day, but we made it through all eighteen holes and came home with some nice door prizes and Maureen's team won the Trivia contest.

Proceeds go to the Lions Foundation Dog Guides and the Optimist Clubs Childhood Cancer Fund. Thanks to Ray Black, his staff and volunteers who made this all possible.

Time for the Annual Bocce Ball Tournament at Science Hill.

Seasonal campers on the west end of the park gathered in the shade with their coolers to decide on teams and officiators. The guys challenged the gals and the Panini was thrown out to start the game.

Dan and Mike checking to see which ball is closer

Maureen needed a break so Rod was made an honorary gal and donned “the bitch” hat.

Diane returned from her meeting and took over for Rod

After two losses the gals decided that the guys had to throw with their opposite arms but even with that the guys managed to squeak another one past the gals. Oh well – better luck next year girls!

Theresa decided that she wanted to be the “Bitch.”

After a few hours of Bocce it was time for food and drink on Rod and Diane’s deck.

Mike cooked up ribs on the BBQ

After supper we had a lovely campfire until it decided to rain and everyone scampered home.

We drove into Stratford for the year end Lions President's party
at Lion Chief Trudy's house.

Lion John cooked up smoked chops to go with the wonderful
salads and desserts that Trudy made.

The Stratford Lions, their significant others and members of the
ladies ball team all enjoyed a great afternoon.

Even the dogs had a good time!

Congratulations Lion Trudy on another great Lions year and good luck to the new President – Lion Tracey.

HAPPY CANADA DAY!

Maureen, Mike and Percy all participated in the Stratford Canada Day parade. Mike drove the truck that pulled the float with a giant Birthday cake on it. In the back of the truck Conn Smythe and his keyboard entertained the thousands of people who lined the streets. Percy walked with Maureen and the other Lions.
